# 2. Vidyalaya Prabandhan

BESTIND Vidyalaya Prabandhan is a Complete School/College Management Software. It easily and elaborately manages your students' Fees with all sorts of reports. Due Fees etc. The software helps an errorfree Exam Management (From Term Exam to Final Exam) with Report Card Printing to Marksheet generation.

It also helps to manage your teachers and other staff members. i.e. Their Attendance, Salary etc. It also helps to manage the Transport and its Fee. Management of Library has become hassle free.

# 8. Neo Library

BESTIND NEO LMS gives the freedom to the librarians to manage their library efficiently. It is very easy to manage books with their titles, ISBN, Accession Nos, Authors, Subjects, Publishers etc. It also prints the barcode of the books to search the books immediately and issue it. It calculates fine on the books. Books lost / Tear management is included.

Neo LMS comes with the frontend website to display all the available books. Students can search from the available books and can suggest for the new

# **11. Immigration CRM**

CRM solutions can help keep track of leads and enrolments of students going to abroad for study, to allow both Invoicing and application tracking and individual personalize communication. So, if a contact has wanted to move to a country for job/study or any other purpose, your sales, service, and marketing teams helps about it, allowing them to maintain and rebuild these important decisions and planning. By intelligently storing and managing your leads data.

A CRM system increases lead volume, helping your marketing team find new candidates faster.
